Exclusivity and Contemporary Design in the Heart of the Costa del Sol Discover a Modern Residential Complex with Exceptional Features Welcome to this remarkable residential development, featuring 76 premium apartments spread across five floors plus penthouses. Designed to provide maximum comfort and modern living, this residential complex offers extensive communal areas, including a social lounge, restrooms, a swimming pool, lush greenery, and bike parking. The underground levels house parking spaces and storage rooms for added convenience.
Exceptional Architectural Design and Unmatched Quality This exclusive project showcases 76 apartments with 1 to 3 bedrooms, each with spacious terraces to enjoy the Mediterranean climate.
